

The Hampton Roads Community Action Program (HRCAP) believes that when individuals and families learn to help themselves and each other, they build stronger communities. This creates a better Hampton Roads region for all. We all know individuals who embody the spirit of community building. Whether it is a teacher, a co-worker, teenager, faith or community leader, it is someone who has a personal commitment to creating hope and building a better community.

The Community Builders Awards are given to individuals and organizations who have demonstrated a commitment to service and transforming the lives of those within their community.

Simply complete the online nomination form by December 31, 2020 to submit names for the 2021 HRCAP Community Builders Awards.
